The Board of Education and the Superintendent believe that negotiations over economic issues, including health benefits, must take into account:

1. Realities of both state and local economies, including the impacts of declining enrollment and previously negotiated Agreements on health benefits.

2. The District's ability to pay now and in the future, as required by the law regulating public schools.

3. The fact that our ability to support the Board Vision, District Mission, and Guiding Principles depends on our fiscal health, now and in the future.

In response to SEIU Local 99's proposal for the District to offer expanded health benefits to Unit F and Unit G employees, the District offers the following counter-proposal:

Effective in September 1 of the 2017-2018 school year:

- For all Unit F employees who work 800 hours or more in a year in any one assignment in the previous school year, a contribution for medical benefits will be provided which will be 100% of the annual premium cost for an employee only Kaiser Plan or a different plan with benefits comparable thereto; and a dental and vision plan. If an eligible District employee agrees to waive coverage from the District and accepts coverage solely under a plan of his/her spouse's/domestic partner's employer, the District will pay $1000 to the employee, for each coverage year waived.

- For all Unit G employees who work 1000 hours or more in a year in any one assignment in the previous school year, a contribution for medical benefits will be provided which will be 50% of the annual premium cost for an employee only Kaiser Plan or a different plan with benefits comparable thereto; and a dental and vision plan. Eligible employees in Unit G shall be responsible, through payroll deductions, for 50% of the premium cost for the medical, dental and vision plan.

Eligible employees who elect dependent coverage shall be responsible for 100% of the premium cost of the dependent coverage through payroll deductions. Dependents may be enrolled subject to the terms and conditions of the plan.

This proposal will continue the current practice which does not include eligibility for lifetime benefits for Unit F or Unit G employees.
