

Campus Aides

(during the interim period until we return to educating all students in brick and mortar public schools)

Campus Aides: regular duties in a remote environment without students, as assigned. These employees should be asked to check in on a regular basis with their supervisors for work assignments and to ensure they are being utilized to assist with the continued operation of the school program. Some potential duties could include assisting with the dissemination and collection of devices and the collection of other school materials. Assist with ensuring safe school environment by monitoring the observance of safety protocols on campus.
