Article 1: Preamble

This Agreement is made and entered into this 1st day of July, 2014, by and between the Pleasant Valley School District, hereinafter referred to as the "District", and the Service Employees International Union, Local 99, hereinafter referred to as the "Union" or "SEIU."

Article 2: Recognition

The District confirms its recognition of the Union as the exclusive representative for the classified employees set forth in Appendix A. The unit shall exclude all management, confidential, supervisory, and other classified employees not listed in Appendix A. The Board shall determine whether newly created positions identified as management, supervisory, confidential, classified lie outside the unit, or within the bargaining unit. If the Union disputes the determination of the Board, the Union may request the PERB to make a determination.

Article 3: Non-Discrimination

- 3.1 The District and the Union agree that the provisions of this Agreement shall be applied without discrimination on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition or genetic information, marital status, sex, pregnancy, sexual orientation or gender identity, age, membership in the Union or participation in the lawful activities of the Union.
- 3.2 No reprisals will be taken by the Union or its members against non-members who exercise their right not to participate in the activities of the Union.
- 3.3 The provisions of this Article shall not be subject to the grievance procedure.

Article 4: Organizational Security

Any employee who is a member of SEIU or who has applied for membership may sign and deliver to the District an assignment authorizing deduction of dues to SEIU. Such authorization shall continue in effect from year to year unless revoked in writing. Pursuant to such authorization, the District shall deduct the amount set by SEIU from the regular salary check of the employee each pay period. The District agrees to comply with state requirements regarding dues deductions and agency shop.

Article 5: Hours and Overtime

- 5.1 Hours
 - a. Workweek - The workweek shall consist of forty (40) hours for full-time employees.
 - b. Workday - Except as provided in subsection 5.4, the workday shall consist of eight (8) hours for full-time employees.

- c. Adjustment of Assigned Time (Part-time employees) - An employee who works an average of thirty (30) minutes or more per day in excess of his/her regular part-time assignment for a period of twenty (20) consecutive working days or more shall have his/her regular assignment adjusted upward to reflect the longer hours in order to acquire fringe benefits on a properly prorated basis as provided by the Education Code.

5.2 Rest Periods

- a. All bargaining unit employees shall be granted rest periods which, insofar as practicable, shall be in the middle of each work period at the rate of fifteen (15) minutes per three and three-quarters (3-3/4) hours worked or major fraction thereof.
- b. Specified periods may be designated only when the operations of the District require someone to be present at the employee's work site at all times. Such times shall be determined by the supervisors.
- c. Rest periods are a part of the regular workday and shall be compensated at the regular rate of pay for the employee.

5.3 Overtime

- a. Overtime, except as set forth in subsection 5.4 of this Article, is defined as authorized time worked in excess of eight (8) hours in any one day and forty (40) hours in any one calendar week. In addition, employees who have an average workday of four (4) hours or more during the workweek shall receive overtime for all authorized time worked on the sixth and seventh day of the workweek. For the purpose of computing the number of hours worked, time during which an employee is excused from work because of holidays, sick leave, vacation, compensating time off, or other paid leave of absence shall be considered as time worked by the employee.
- b. An employee who works authorized overtime shall be paid at a rate equal to one and one-half (1-1/2) times his/her regular rate of pay for the overtime worked. Shift and special assignment differentials regularly received by the employee shall be included in determining his/her regular rate of pay.
- c. A unit member may, with the approval of the appropriate supervisor, elect to be credited with compensatory time off in lieu of cash compensation for overtime. Such arrangements shall be submitted in writing to the immediate supervisor prior to the performance of overtime work. In no event shall accumulation of compensatory time be authorized above a continuing maximum bank of sixty (60) hours. Compensatory time shall be taken at a time mutually acceptable to the employee in the bargaining unit and the District within twelve (12) months of the date on which it was earned. If the compensatory time has not been taken within twelve (12) months of the date on which it was earned, the District shall pay the employee in cash for all such time at the appropriate overtime rate based on the employee's current rate of pay. Compensatory time earned on an overtime basis will be at the rate of one and one-half (1-1/2) the regular rate of pay.

5.4 Alternative Work Schedules

- a. The District may establish a ten (10) hour-per-day, forty (40) hour, four-consecutive day workweek for employees. The overtime rate shall be paid for all hours worked in excess of the required workday.
- b. The District may also establish a nine (9) hour-per-day, eighty (80) hour-per-two-week work schedule. The 9/80 schedule shall consist of nine (9) workdays, eight (8) of which shall be nine (9) hour days and one (1) of which shall be an eight (8) hour day. The overtime rate shall be paid for all hours worked in excess of the required workday.
- c. The District reserves the right to determine work schedules and/or provide substitute holidays appropriate to District needs.

5.5 Call In and Call Back Time

An employee called in to work on a day when the employee is not scheduled to work shall receive a minimum of two (2) hours pay at the appropriate pay rate. An employee called back to work after the completion of his/her regular assignment shall be compensated for at least two (2) hours of work at the overtime rate irrespective of the actual time worked.

5.6 Lunch Periods

Employees shall be entitled to an uninterrupted unpaid lunch period of thirty (30) minutes except as mutually agreed to by the employee and the immediate supervisor. In situations of an urgent nature, the District may require that unit members perform duties during their thirty (30) minute lunch period. When this occurs, the affected unit members shall commence a new thirty (30) minute lunch period immediately after completion of duty.

5.7 Summer School Bus Driver Assignments

- a. Available summer school employment shall be determined by application for work among the bus drivers with the selection for work based on an employee's District employment seniority. For purposes of this section, "District employment seniority" shall mean date of original employment with the District. Except as indicated above, the District shall determine employment needs, qualifications, and the manner of implementing this provision, including assignment of personnel to particular buses and routes. In the event a bus driver has committed to accept a summer driving assignment and wishes to relinquish that assignment, the driver shall inform the District of the change of plans at least five (5) days before summer work commences. Failure to provide such notice may result in denial by the District of that driver's right to work in the following summer.
- b. Announcement of possible summer bus driver employment shall be posted as soon as practicable after mid-May with the understanding that assignments cannot be finalized until the Special Education Department determines District needs.

Article 6: Salaries

- 6.1 The salary schedule will be increased by 2.0% on schedule effective July 1, 2016.
- 6.2 If the District grants general compensation increases (i.e., COLA plus insurance and/or any one-time or outside of salary schedule federal, state or District initiated funds) to non-represented (non-management) classified employees or the certificated bargaining unit, which exceeds the compensation allocated to the SEIU bargaining unit (e.g., salary, insurance), then the District shall increase the amount allocated to the SEIU bargaining unit so as to equal the amount given to that other group(s). Special increases, such as reclassifications, increased workdays for staff development, or beginning teacher salary incentive funds provided by the state, shall not constitute a general compensation increase under this provision.
- 6.3 For the 2020-21 school year, SEIU unit members shall be paid a one-time, off-schedule salary increase equivalent to 5% of the unit member's base pay, inclusive of longevity steps. Unit members actively employed during the 2020-21 school year, but whose service to the district ended prior to the last calendared work day, shall receive stipend amounts prorated to reflect the proportion of the employee's calendar for which the employee was in active status.

Article 7: Wage and Salary Adjustments

7.1 Initial Placement

Except as authorized by the Board, all new employees shall be appointed at the minimum step in the salary range approved for the class.

7.2 Step Advancement

- a. For the purpose of this Article, when the first day of service falls between the first and fifteenth day of the month, the appointment shall be considered as effective on the first day. Later appointment shall be considered as effective at the beginning of the following month.
- b. Upon completion of twelve (12) months of satisfactory service from date of appointment or date of any other personnel transaction which does not change the employee's anniversary date, the employee shall be eligible for each succeeding step within his/her salary range in accordance with Subsection 7.1 above. He/She shall continue to be eligible for such twelve (12) month increments until he/she reaches the maximum of his/her range, subject to the provisions of the rest of this Article.

7.3 Promotions

An employee who receives a promotion to a class allocated to a higher salary range shall receive a pay increase of approximately five percent (5%) and be placed on the step of the salary range of that class that is at least one step above the rate the employee received in the previous class

(but no higher than the highest step). Additional advancement will be at the beginning of the thirteenth month, regardless of step placement, and at one-year intervals thereafter until the maximum is achieved. For the purpose of this provision, appointment of an employee to a class with a salary range equal to or below his/her current range shall not be considered a promotion and shall not warrant a salary increase; in such cases, placement will be made on the same rate formerly earned by the employee, not to exceed the maximum of the range of the class to which he/she is appointed.

7.4 Placement after Leave of Absence

Placement after leave of absence shall be in conformance with the Education Code.

7.5 Placement When Demoted

An employee who accepts a voluntary demotion shall be placed on the step of the range of the lower class that is closest to the rate he/she earned in the higher class, provided that he/she shall not receive a salary increase thereby. He/She shall retain the anniversary date established in the higher (former) class.

7.6 Longevity Pay

- a. Longevity pay shall begin on the first of the month following the completion of the required time periods.
- b. Longevity increment shall begin at the beginning of the tenth (10th) year and shall be granted annually as follows:

Beginning of the 10 th year	\$ 825
Beginning of the 15 th year	\$1,650
Beginning of the 20 th year	\$2,475
Beginning of the 25 th year	\$3,300
Beginning of the 30 th year	\$4,125
Beginning of the 35 th year	\$4,950

Article 8: Employee Benefits

8.1 Benefits for Active Employees

- a. Effective 7/1/21, the District shall contribute a maximum of \$10,010 per year towards a single party plan for medical benefits, \$15,360 for two party and \$19,500 for a family plan. If the District desires to change health carriers during the term of this Agreement, it shall so notify the Union and provide it with an opportunity to negotiate such change to the extent such change impacts on matters within the scope of representation.

- b. Effective 2017-18 school year, PVSD will give \$500 per unit member to those who are spouses or domestic partners within the District who enroll in 2-Party or Family medical coverage and are both required to take the District insurance under SISC rules.
- c. The district's Health Benefits Committee shall include up to three (3) representatives from SEIU, one of which may be a SEIU staff member. The Committee shall review health providers, plans, and coverage issues making recommendations to the Superintendent. Any questions related to the district cap amount or use shall be discussed with SEIU at the bargaining table.
- d. Employees shall be eligible for benefits under this section commencing the first day of the month following the first day of regular employment or another event qualifying an employee for health benefits and in conformance with the provider's implementation requirements.

8.2 Benefits for Retirees

- a. Retiree benefits for employees who retired on or before June 30, 1984:

The District shall provide fully paid health insurance premiums for employees and dependents of employees who have reached their fifty-fifth (55th) birthday, and given ten (10) years of satisfactory service to the District. This coverage shall extend for the life of the retired employee. A District approved paid leave shall constitute paid services for purpose of eligibility for the benefit. Medical/hospitalization coverage for retirees shall be exclusive of in-house psychiatric care, orthodontia procedures, and maternity provisions.

- b. Retiree benefits for employees hired on or before June 30, 1984, who retire after June 30, 1984:

The District shall contribute not more than three-thousand nine-hundred dollars (\$3,900.00) per year per retiree toward the health and welfare program provided the employee has reached his/her fifty-fifth (55th) birthday and given twelve (12) years of satisfactory service to the District. This coverage shall extend for the life of the retiring employee. A District approved paid leave shall constitute paid service for the purpose of eligibility for this benefit. Medical/hospitalization coverage for retirees shall be exclusive of in-house psychiatric care, orthodontia procedures, and maternity provisions. Employees who meet all retirement requirements, except twelve (12) years service in Pleasant Valley School District, may retain employee and dependent membership in the District health insurance plan by paying one hundred percent (100%) of the premiums. At the end of what would have been the twelfth (12th) year of service, the District shall assume premium payment for the employee and his/her dependents for the life of the retired employee up to, but not to exceed three-thousand, nine-hundred dollars (\$3,900.00) per year.

- c. Retiree benefits for employees hired after June 30, 1984:

The District shall contribute not more than twenty-four hundred dollars (\$2,400.00) per year per employee toward the retiree catastrophic health and welfare program. The

employee shall be required to have reached his/her sixtieth (60th) birthday and shall be required to have served the District for fifteen (15) years or more.

Retirees who meet the qualifications set forth above, except are hired after June 30, 1986, and who are eligible for Medicare shall have their District paid contributions cease when the retiree meets the eligibility requirements for Medicare.

- d. Contingent upon implementation for all other District employees, unit members (initially) hired after December 31, 1993, shall not receive a District contribution toward retiree benefits. However, subject to approval of the applicable insurance carrier, such unit members may continue their insurance coverage upon retirement at their own expense, and, if the District enrolls in the PERS medical benefits plan, it shall contribute the minimum amount required by PERS toward retiree benefits.

8.3 Benefits for Part-Time Employees for persons employed less than full time are to be provided as specified in Education Code Sections 45136 and 45137.

Sick leave and all other benefits accorded members of the unit are to be prorated on the basis of assigned hours worked per day as it bears to eight (8) hours, forty (40) hours per week, weeks per month, or months to a calendar year.

 1. Absence from duty without pay for a period not to exceed fifteen (15) days for reasons satisfactory to the appointing authority may be granted on recommendation of the supervisor and with the approval of the Assistant Superintendent of Human Resources.
 2. Leave of absence without pay may be granted for any period up to six (6) months, with the possibility of one six-month (6) extension on suitable application or for two (2) six-month (6) extensions in cases qualifying under subsection 10.4. The granting of such request shall be based on two primary considerations: (1) that granting such leave would not cause undue hardship on the District; and (2) that this action is warranted on the part of the District. The original request for leave and the request for extension of leave must be accompanied by a letter from the employee's immediate supervisor agreeing to the granting of the leave.
 3. The granting of a leave of absence without pay gives the employee the right to return to a comparable level position within his/her class at the expiration of his/her leave of absence provided he/she is physically and legally capable of performing the duties.
- b. The Board may, for good cause, cancel any leave of absence by giving the employee due notification.

- e. If an employee cannot be placed in a vacant position in his/her class upon return from leave of absence, he/she shall have bumping and reemployment rights, in accordance with his/her seniority, in the same manner as if he/she had been laid off for lack of work or lack of funds on the date his/her leave expires.
- f. Employees shall not accrue seniority during periods of unpaid leave of absence.
- g. Employees may not utilize the provisions of this section in order to seek or engage in other employment.

Such leave shall not be used for childcare, child rearing, or preparation for child bearing, but shall be limited to those disabilities as set forth above. The length of such disability leave, including the date on which the leave shall commence and the date on which the duties are to be resumed, shall be determined by the employee and her physician; however, the District may require a verification of the extent of disability through a physical examination of the employee by a physician appointed by the District.
- b. Employees are entitled to leave without pay or other benefits for disabilities because of pregnancy, miscarriage, childbirth or recovery therefrom when sick leave as set forth in this Article has been exhausted. The date on which the employee shall resume duties shall be determined by the employee on leave and the employee's physician; however, the District may require a verification of the extent of the disability through a physical examination of the employee by a physician appointed by the District.

10.15 Family and Medical Care Leave

- a. Pursuant to state and federal law, the District will provide Family and Medical Care Leave for eligible employees. The following provisions set forth employees' rights and obligations with respect to such leave. Rights and obligations which are not specifically set forth below are set forth in the Department of Labor regulations implementing the Federal Family and Medical Leave Act of 1993 ("FMLA"), and the regulations of the California Fair Employment and Housing Commission implementing the California Family Rights Act

(“CFRA”) (Government Code section 12945.2). Unless otherwise provided, “leave” under this section shall mean leave pursuant to the FMLA and CFRA.

During any period an employee takes unpaid family care medical leave, the District shall maintain and pay for coverage for health benefits pursuant to the conditions of this Agreement to the extent required by the FMLA and CFRA.

- b. Eligible employees are entitled to a total of twelve (12) workweeks of leave during any twelve (12) month period. An employee’s entitlement to leave for the birth or placement of a child for adoption or foster care expires twelve (12) months after the birth or placement.

The twelve (12) month period for calculating leave entitlement will be a “rolling period” measured backward from the date leave is taken and continue with each additional leave day taken. Thus, whenever a member requests leave, the District will look back over the previous twelve (12) month period to determine how much leave has been used in determining how much leave an employee is entitled to.

- c. The right to Family Care and Medical Leave shall be in addition to any other leave to which employees are entitled under this Agreement. However, if an employee uses the leave under this section for any reason permitted under the law, he/she must exhaust all other accrued leaves in connection with the leave.
- d. Upon the termination of the leave, an employee shall have a right to reinstatement in the same position he/she occupied prior to the leave, provided the employee is absent no longer than twelve (12) weeks.

The floating holiday(s) shall be taken on or before June 30 and at times requested by the employee consistent with the needs of the District.

Floating holidays not used on or before June 30 shall be forfeited by the employee. Floating holidays are not accruable. If an employee separates employment before the end of the fiscal year, the amount of floating holiday time will be prorated. If the employee has used more floating holiday time than the amount of available prorated time, his/her final paycheck will be adjusted accordingly.

If the holiday falls on a Saturday, the preceding workday shall be the holiday. If the holiday falls on a Sunday, the following workday shall be the holiday.

Except for Veterans' and President's Days, the governing board, by adoption of a resolution, may revise the date upon which the schools of the district close in observance of any of the holidays listed above. Any such change from year to year will not decrease the amount of paid holidays listed above. For employees assigned to the University Preparation School, holidays will be observed on the days determined by the UPCS board.

11.3 Holiday Pay

- a. Pay for a holiday shall be the same the employee would have received had the day not been a holiday, provided however, that those employees working an alternative work schedule (e.g., 4/40, 8/80) shall have one to two hours, as applicable, deducted from their leave banks to make up the difference between a nine or ten-hour workday and an eight-hour holiday. For purposes of this section, "leave bank" shall refer to floating holiday time, Personal Necessity Leave time, compensatory time (if authorized) or vacation time. If accrued leave time is insufficient to cover the amount of holiday time, such time shall be converted to leave without pay. 4/40 and 9/80 employees who, because of their compressed workweek "lose" a holiday (e.g. when the holiday falls outside their compressed workweek) shall be compensated for that holiday at a rate of pay for the number of hours they normally work, e.g.,
 - nine (9) hours for 9/80 employees; and
 - ten (10) hours for 4/40 employees; or
 - be provided a substitute holiday; or
 - otherwise have their schedule revised to prevent loss of the holiday.
- b. Holiday pay for part-time employees shall be at straight time rates as follows:
 1. When a holiday falls on the employee's normally scheduled workday, "holiday pay" shall be for the number of hours the employee would normally have worked on that day.
 2. When the holiday falls on other than the employee's normally scheduled workday, holiday pay shall be prorated in the same ratio as the regular work hours per day, days per week, weeks per month, or months per year bear to forty (40) hours per calendar week, four (4) calendar weeks per month, or twelve (12) calendar months per school year.
 3. Part-time employees who work an alternative work schedule shall receive holiday pay in accordance with subsections 1 and 2 above, on a pro-rata basis.

- e. Half day holidays will be treated the same as any full day holiday, but with holiday pay compensation based on that portion of the day which represents the holiday and that portion of the part-time employee's normal workday that falls within it.

11.4 Employees required to work on scheduled holidays shall be paid as follows:

- a. Actual hours worked at the overtime rate of time and one-half (1-1/2) in addition to regular holiday pay (11.3a above).
- b. 4/40 and 9/80 employees shall be paid at the overtime rate of time and one-half (1-1/2) for hours actually worked on the holiday in addition to holiday pay described in 11.3b. above.

11.5 On any school day during which pupils would otherwise be in attendance but are not, and for which certificated personnel receive regular pay, classified employees shall also receive regular pay, whether or not required to work that day.

11.6 Regular employees who are not normally assigned to duty during the school holidays which include December 25 and January 1 shall be paid for those two holidays, provided that they were in a paid status during any portion of the working day of their normal assignment immediately preceding or succeeding the holiday period.

Article 12: Vacation

12.1 Vacation Accrual

- a. Every unit member shall earn vacation at the prescribed rate as part of his/her compensation. Regular employees who are on leave to serve in limited term assignments, or who serve in limited term assignments during periods when they are not regularly assigned, shall earn vacation during such limited term assignments; vacation shall also be earned during any paid leave of absence.
- b. Vacation shall be earned and accumulated on a monthly basis in accordance with the following schedule:

Part-time employees may elect to take vacation during the school year at a time convenient to the employee and consistent with the needs of the District. Part-time employees'

vacation pay for unused vacation shall be included with their last paycheck of the school year.

12.2 Vacation Use

- a. Vacation schedules shall be prepared and approved by the administration. Effort shall be made to allow vacation to be taken at times convenient to the employee, consistent with the needs of the service and workload of the department.

If there is a conflict in scheduling between employees in the same or similar operations of a department, the employee with the greater seniority shall be given his/her preference. For the purpose of this subsection only, "seniority" means first date of employment in a probationary status.

- b. The rate at which vacation is paid shall be the employee's current rate. An employee whose vacation is earned and begun under a given status shall suffer no loss of earned vacation credit by reason of subsequent changes in conditions of employment during that vacation.
- c. Except in the case of an emergency, if an employee is required to work during any portion of a scheduled vacation period, the employee shall be compensated at the rate of time and one-half (1-1/2) his/her regular rate of pay for all hours worked during that period.

In such case, the employee shall be permitted to reschedule, for approval, his/her vacation request to be taken prior to June 30 of the fiscal year. If the District is unable to approve such rescheduled vacation request, the employee's vacation account shall be charged and the employee shall be paid for any unused vacation remaining as of June 30, except that ten (10) days of which the employee is allowed to carry over.

- d. Earned vacation shall not become a vested right until completion of the initial six (6) months of employment.
- e. If an employee is terminated and has used vacation that was not yet earned at the time of termination of his/her services, the District shall deduct from the employee's severance check the full amount of salary that was paid for such unearned days of vacation taken.
- f. Upon separation from service, the employee shall be entitled to lump-sum compensation for all earned and unused vacation, except that an employee who has not completed six (6) months of employment in regular status shall not be entitled to such compensation.
- g. Any unit member who commences his/her prescribed vacation period and subsequently becomes ill or is bereaved before his/her vacation period has been completed, shall be placed on sick leave or bereavement leave under the following conditions:
 1. If the illness or bereavement is for three (3) consecutive days or more
 2. If the illness or bereavement is such that had the employee been working, he/she would have been absent on sick or bereavement leave

3. If the employee normally is required to return to duty immediately following the vacation period
 4. If the request is filed with the District within two (2) weeks of the illness or bereavement or within, at the latest, one (1) week of his/her return to duty unless extraordinary extenuating circumstances exist which prevent such filing
 5. If the filed request fully outlines the reasons for the request and is fully substantiated to include medical reports in the case of illness
- h. When all or part of an employee's vacation is to be converted to illness or bereavement leave, the appropriate vacation credit shall be restored to the employee's earned vacation balance. If possible, he/she shall be granted opportunity to consume this vacation credit in order not to exceed the limit on accrued vacation.

Article 13: Transfer

13.1 A transfer is the reassignment of an employee without examination from one position to another position in the same class or to a position in a similar or related class with the same salary range.

13.2 When a new position is created or an existing position becomes vacant, all vacancies shall be posted by the District for not less than five (5) working days at all work locations prior to being filled. Any employee may apply for transfer to that position by filing a written notice with the Human Resources Office of the District.

If an employee on leave during the period of the posting has requested a transfer, he/she shall be mailed a copy of the notice by the Human Resources Office on the date the position is posted. Failure to do so shall nullify the position appointment.

13.3 A permanent employee may ask to be transferred to another position in the same class or to a position in a related class on the same salary schedule. Such transfers shall be made only with the approval of the District and the party involved. The District, when considering transfer requests, shall give weight to the following factors:

- a. Seniority - uninterrupted service with the District
- b. Experience in related areas in or out of the District
- c. Job performance (including discipline and past evaluations)
- d. Training and/or skills
- e. Other factors that are in the best interest of the District

13.4 If a voluntary transfer request is denied, upon request, the District shall provide the employee with specific reasons for the denial in writing within five (5) working days of the employee's request.

- 13.5 Transfers shall not change the employee's salary rate, anniversary date, accumulated illness leave, and accumulated vacation credit, or in any other manner reflect adversely upon the employee's rights, as provided in law and this Agreement.
- 13.6 A permanent employee who transfers to a position in a class in which he/she has not previously completed a probationary period shall be considered probationary in that class for a period of six (6) months. At any time during the probationary period, he/she may be returned (transferred) to his/her former class without right of appeal, unless such action results in layoff, demotion, or reduction in assigned time. In the latter cases, the employee will have the same appeal rights as a permanent employee who is demoted or dismissed.
- 13.7 Transfers shall have the following effects on seniority:
- a. Within the same class ~ none
 - b. From one class to another ~ the employee shall not receive seniority credit in the new class for service in other classes; however, he/she shall retain such credit as seniority in the classified service.

- 13.9 Transfers shall not be used as a device to alter the sequence of impending layoff, although employees whose positions are to be eliminated may transfer to other classes as this rule contemplates.

Article 14: Layoff

14.1 Layoff and Reduction in Hours

The Board may lay off employees or reduce the hours of employees for lack of work or lack of funds or other legally authorized reasons. In the event employees are laid off and/or reduced in hours, the employees shall be laid off or reduced in hours in inverse order of seniority in the class in which the layoff and/or reduction occur. The unit member who has been employed the shortest time as a probationary or permanent unit member in the class, plus higher classes, shall be considered to have the least seniority.

14.2 Reduction in Hours

To the extent required by law, indefinite reductions in regularly assigned time shall be considered a layoff under the provisions of this Article.

14.3 Order of Layoff and/or Reduction in Hours

The order of the layoff shall be based on seniority by class. An employee, who has been employed the shortest time in the class, plus higher classes, shall be laid off first. For purposes

of this Article, seniority shall mean hire date of an employee in the affected classification and will include any time in higher classifications.

If two (2) or more employees subject to layoff have equal class seniority, the determination as to who shall be laid off will be made on the basis of the greater district hire date seniority and, if that is equal, then the determination shall be made by lot.

14.4 Rights of Laid Off and/or Reduced in Hours Employees

Employees shall have the following rights:

a. Notice of Layoff/Reduction in Hours

Affected employees and the Union shall be given notice of layoff/reduction in hours not less than forty five (45) calendar days prior to the effective day of the layoff/reduction in hours and informed of their displacement (bumping) rights, if any, and reemployment rights. Upon written request, the District shall meet with the Union no later than fifteen (15) calendar days following the notice(s) of layoff/reduction in hours to review bumping and reemployment procedures.

b. Bumping Rights

An employee laid off from his/her present class may bump into the next lower class in which the employee has greatest seniority, considering his/her seniority in the lower class and any higher classes. The employee may continue to bump into lower classes to avoid layoff.

To exercise bumping rights, the unit member must notify the Assistant Superintendent of Human Resources in writing not later than ten (10) calendar days after receiving notice of layoff/reduction in hours.

c. Reemployment Rights

Persons laid off are eligible for reemployment for a period of thirty-nine (39) months and shall be offered reemployment in the class from which laid off prior to offering employment in that class to new applicants. In addition, during the 39-month period, such persons laid off shall receive notice of and have the right to participate in District promotional examinations in positions for which they meet the minimum qualifications.

1. Notices regarding reemployment or promotional exams shall be in writing and shall be sent to the employee's last known address.
2. Offers of reemployment or increase in hours shall be made in order of seniority from those available employees on the reemployment list.
3. The order of seniority for reemployment means that an offer shall be made to the available unit member who has the most seniority as defined in Article 14.1 as a probationary or permanent unit member in the class offered plus higher classes.

4. A unit member shall be deemed unavailable for employment if the unit member fails either to respond within five (5) work days or refuses two (2) offers of reemployment in the same class and for the same or more hours than those served at the time of the layoff. In such cases, the unit member's name shall be removed from the reemployment list.
 5. A unit member shall remain entitled to receive an offer of reemployment during the 39-month period if refusal of reemployment is to the same class but for fewer hours than those served at the time of layoff or to a different class.
- d. Voluntary Demotion or Voluntary Reduction in Hours in Lieu of Layoff

Employees who take a voluntary demotion or voluntary reduction in hours in lieu of layoff shall be granted the same rights as a unit member who has been laid off and shall retain eligibility to be considered for reemployment for an additional 24-month period provided that the same tests of fitness under which they qualified or appointment to the class shall still apply.

- e. Election of Retirement in Lieu of Layoff

An employee who qualifies for service retirement may elect to retire in lieu of layoff. If an employee retires under such circumstances, the provisions of Education Code Section 45115 shall apply.

14.5 Exclusivity of Rights

The rights granted to the Union and the employees who are laid off or reduced in hours under this article are the sole and exclusive rights granted to them by the District. Inclusion of this article into the contract satisfies any obligation to negotiate the District might have had regarding future layoffs/reductions in hours. No other rights are intended or implied by the inclusion of this article in this contract except that a violation of this article is subject to the grievance procedure (Article 17).

Article 15: Performance Evaluations

15.1 When evaluations are to be made:

- a. Probationary employees - approximately at the end of the second and fourth month and two (2) weeks before the end of the probationary period
- b. Permanent employees - once a year within thirty (30) days of the employee's anniversary date. Permanent employees whose anniversary date falls during the months of July through September shall have their evaluation schedules adjusted as follows: Those falling due in July will be due by the last day of school in June of each year. Those falling due in August or September will be moved to October 1 each year.

- 15.2 Performance evaluation reports shall be made on forms prescribed by the Personnel Commission and shall be prepared by the employee's immediate supervisor, if possible. The completed form shall be reviewed by the next higher supervisor and, if need for improvement is noted, by the department head.
- 15.3 The evaluator shall present the performance evaluation report to the employee and shall discuss it with him/her. The evaluation form shall be signed by the employee to indicate receipt and the employee shall be given a signed copy.
- 15.4 No evaluation of an employee shall be placed in any personnel file without an opportunity for discussion between the employee and the evaluator. No evaluation shall be based on rumors, anonymous tips, or predominately upon hearsay statements. Evaluations are to be based primarily upon the observation and knowledge of the evaluator. Any negative evaluation shall include specific recommendations for improvement and provisions for assisting the employee in implementing the recommendations made. The employee shall have the right to review and respond to any evaluation. Such response shall be attached to the evaluation.
- 15.5 Special Evaluations ~ An employee may be given a special evaluation at any time circumstances merit.
- 15.6 Availability of Personnel File ~ An employee may, by request, inspect his/her personnel file. The employee's inspection of his/her personnel file shall be during a time when he/she is not required to render service to the District, unless it is impossible to arrange for such review during the employee's off-duty hours and he/she has the written permission of his/her immediate supervisor to be absent from work for a specified time and proper arrangements have been made to inspect the file.

Article 16: Discipline

- 16.1 The Disciplinary procedure and appeal rights are contained in the Personnel Commission Rules.
- 16.2 An employee may be suspended, reduced in pay, demoted, or dismissed for just cause. Causes for disciplinary action against any employee may include, but shall not be limited to the following:
 - a. Incompetence
 - b. Inefficiency
 - c. Insubordination
 - d. Inattention to or dereliction of duty
 - e. Discourteous and/or unprofessional treatment of the public, students, or of fellow employees. Discourteous treatment shall include, but not limited to: intimidation, showing hostility, threats, humiliation of, insults, or slander.

- f. Violation of District or Personnel Commission rules, regulations, policies, or procedures
- g. Dishonesty
- h. Immoral conduct
- i. Being under the influence of intoxicants (including alcohol), narcotics, or other controlled substances while on duty or District property
- j. Unlawful use of narcotics or drugs
- k. Possession or use of unauthorized intoxicants (including alcohol), narcotics, or other controlled substances while on District property or in District vehicles
- l. Misuse or abuse of District property or equipment
- m. Failure to prepare and/or maintain prescribed records (e.g., concealing, misusing, mutilating, falsifying, or removing)
- n. Theft of District property or property of others
- o. Unexcused or excessive absences (including tardiness)
- p. Conviction of a felony or of a misdemeanor involving moral turpitude.
- q. Other acts which are incompatible with service to the public, including any conduct or behavior, either on or off duty, which causes discredit or would reasonably tend to cause discredit to fall upon the District, its officers, agents, or departments

16.3 Any unit member who has a good faith belief that a District employee has engaged in conduct under Article 16.2. and/or Board Policy 1313, Community Relations, may report a complaint with the Assistant Superintendent of Human Resources. The Assistant Superintendent of Human Resources and/or his/her assignee shall investigate and take appropriate action. The complainant cannot grieve action taken by the District. This section shall not preempt any unit member's rights under this Agreement.

Article 17: Grievance Procedure

17.1 Definitions

- a. Grievance - is a claim by one or more employees that there has been an alleged violation of a specific provision of this Agreement. Actions to challenge or change the policies of the District as set forth in Board policies or administrative regulations must be undertaken under separate legal processes. Other matters for which a specific method of review is provided by law, by the policies of the Board or Personnel Commission, or by the

administrative procedures of this District are not within the scope of this procedure. In addition, actions regarding an alleged violation of Article 19 (Management Rights) are excluded from this procedure.

- b. "Day" is any day in which the central administrative office is open for business.

17.2 Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems that may arise regarding the correct interpretation of this Agreement. Both parties agree that these proceedings will be kept as confidential as possible (and as confidential as permitted by law).

17.3 General Provisions

- a. Nothing contained herein shall be construed as limiting the right of any employee to process a grievance or have the grievance adjusted without the intervention by the Union, provided that the adjustment is not inconsistent with the terms of this Agreement and the Union has been given an opportunity to state its position regarding the proposed adjustment of the grievance.
- b. Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. Grievant's failure to comply with the timelines shall result in the withdrawal of the grievance. The time limits may, however, be extended by mutual agreement.
- c. Until final disposition of a grievance takes place, the grievant is required to conform to the original direction of his/her supervisor.
- d. All documents dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- e. The grievant may terminate the grievance at any time by giving written notice to the District. Failure to comply with time limits, to attend scheduled meetings to discuss or hear the grievance, or to provide requested information at the grievant's disposal relating to the subject matter of the grievance shall be deemed a termination of the grievance by the employee.
- f. The grievant has the right to have a representative present at any step of the formal procedure after resolution has been sought at the informal level. The grievant, however, must be present at each step of the grievance procedure.
- g. If a grievance arises from an action or inaction on the part of the immediate supervisor's supervisor, the grievance shall commence at Level Two of the Grievance Procedure (Section 17.4b. below). If a grievance arises from an action or inaction on the part of a District Administrator at a level above the immediate supervisor's supervisor, the grievance

shall commence at Level Three of the Grievance Procedure (Section 17.4c. below). The purpose of this provision is to eliminate unnecessary steps in the grievance procedure.

17.4 Procedure

a. Level One

1. Informal: The grievant will first discuss the grievance with the immediate supervisor with the objective of resolving the matter informally.
 - a) This oral discussion will take place within twenty (20) days after the grievant knows or should have reasonably known of the circumstances upon which the matter is based.
 - b) The immediate supervisor will attempt to resolve the problem orally within five (5) days after the presentation of the grievance.
 - c) Parties to the grievance may consult with central office staff or Union representatives.
2. Formal: If the grievance is not settled during the informal discussion and the grievant wishes to pursue the matter, the grievant shall present the grievance in writing to the immediate supervisor within five (5) days after the oral decision by the immediate supervisor. The written information shall include:
 - a) A description of the specific grounds of the grievance, including names, dates, and places necessary for a complete understanding of the grievance;
 - b) A listing of the provision(s) of the Agreement which are alleged to have been violated;
 - c) The decision rendered at the informal conference and a list of the reasons why the immediate supervisor's proposed resolution of the problem is unacceptable; and
 - d) The specific actions requested of the grievant which will remedy the grievance.

The immediate supervisor shall respond in writing within ten (10) days after the receipt of the grievance.

b. Level Two

If the grievant is not satisfied with the immediate supervisor's decision at Level One, the grievant shall, within five (5) days after receipt of the written decision, file a written appeal with the immediate supervisor's supervisor. Within five (5) days from the receipt of the appeal, the administrator shall, if so requested, meet with the grievant in an effort to resolve the grievance. The Administrator shall respond in writing within ten (10) days after such

meeting or, if no meeting has been requested, within ten (10) days after receipt of the appeal.

c. Level Three

If the grievant is not satisfied with the decision at Level Two, the grievant shall file within five (5) days after receipt of the written decision or expiration of the timelines if no decision has been reached, a written appeal with the Superintendent or his/her designee. Within ten (10) days from the receipt of the grievance, the Superintendent or designee shall meet with the employee on the grievance and shall respond in writing within ten (10) days of such meeting.

d. Level Four

In the event that the Union is not satisfied with the decision of the Superintendent at Level Three, it may, within 20 working days after receiving the Superintendent's decision, refer the grievance to arbitration by requesting that the State Mediation and Conciliation Service propose the names of five arbitrators.

The arbitrator's decision will be in writing and will set forth his or her findings, reasoning, and conclusion on the issue(s) submitted. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The decision of the arbitrator shall be binding. The arbitrator shall have no power to alter, add to, or detract from the provisions of the Agreement.

The cost for the services of the arbitrator will be borne equally by the District and the Union. The cost of a court reporter shall be borne by the party requesting the services.

A decision by the Union to submit a grievance to arbitration shall automatically be a waiver of all other remedies, except for those provided in Title VII of the Civil Rights Acts of 1964.

If the District raises the question of arbitrability concerning a grievance, the arbitrator shall render a decision on said question prior to hearing the merits of the grievance.

Prior to the arbitration hearing, either party may request that the matter be sent to mediation. Mediation shall be conducted as soon as practicable and be under the supervision of the California State Mediation and Conciliation Service.

Article 18: Union Rights

The Union shall have the following rights:

18.1 The right of access, at reasonable times, to areas in which employees work for the purpose of representing employees in grievance matters.

18.2 The right to use institutional bulletin boards and mail boxes, subject to reasonable regulation and provided that the Union shall not enter into mail boxes or bulletin boards any material or

information which may be determined by the Board to be derogatory, demeaning, or defamatory to any employee, Board member, or the District.

- 18.3 The right to use District equipment and buildings under the provisions of the Civic Center Act at reasonable times ~ on the condition that such use shall not interfere with the instructional program or the normal work of the District.
- 18.4 The right to receive, upon request, one copy of any material that is available to the public or which relates to the wages, hours, and other conditions of employment of unit members, or any other material that is relevant to fulfilling the Union's duties and obligations under the E.E.R.A. Reasonable reimbursement costs for materials requested which are unrelated to wages, hours, and other terms and conditions of employment, shall be in accordance with existing board policy.
- 18.5 The right to reasonable paid release time for a reasonable number of representatives when meeting and negotiating and processing grievances. For purposes of this provision, "processing grievances" includes investigating a grievance. The Union shall designate its representatives on or before July 1 of each school year. Prior to leaving a work assignment, the Union representative shall notify his/her immediate supervisor of the need to use released time. The notification to the supervisor will be as far in advance of the intended use of the released time as is practicable. The supervisor will grant the representative time off from duty, unless to do so would adversely affect District operational needs. If the representative is visiting another work site, the representative will check in first with the appropriate site administrator. The site administrator will permit access to the premises unless the administrator determines that to do so would constitute a material disruption in operations.
- 18.6 The right to use twenty-four (24) hours of vacation time per year for the purpose of attending Union workshops, training programs, or conferences, subject to reasonable advance notice (i.e., at least five work days). The District may deny such use when the continuation of services provided by the affected employee is necessary and the District is unable to find a suitable replacement after making a reasonable effort to do so.
- 18.7 New unit employees shall be given an SEIU Local 99 supplied membership packet along with the steward's name and phone number. Within five (5) days of a new employee being hired, his or her name, address, and phone number shall be given to the SEIU Local 99 office. At no time shall any PVSD manager, supervisor, or agent advise or give new employees their opinion on the union.

Article 19: Management Rights

The District, on its own behalf and on behalf of the electors of the District, hereby retains and reserves unto itself all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of California and of the United States, including, but without limiting the generality of the foregoing, the right:

- 19.1 To the executive management, organization, and administrative control of the District and its properties and facilities and the activities of its employees.

19.2 To direct the work of its employees, determine the time and hours of operation and determine the kinds and levels of services to be provided and the methods and means of providing those services, including contracting out and transferring work out of the unit.

The District recognizes that the Union and its members are concerned about the issue of contracting out and transferring work out of the unit. Usually such decisions will be the result of a need for expertise, existing staff is incapable of doing the work or is otherwise fully engaged in other needed work, or the District desires to have the work performed or the service provided in a different manner.

19.3 To hire all employees and subject to the provisions of law, to determine their qualifications and the conditions for their continued employment, discipline (including dismissal), promotion, assignment, and transfer.

19.4 To establish educational policies, goals, and objectives; to ensure the rights and educational opportunities of students; to determine staffing patterns; to determine the number and kinds of personnel required.

19.5 To build, move, or modify facilities; establish budget priorities, procedures, and allocations; to determine the methods of raising revenue.

19.6 To take such action as the District deems appropriate in the event of an emergency.

The exercise of the foregoing powers, rights, authority, duties and responsibilities by the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of California and the Constitution and laws of the United States. This provision is not subject to the grievance procedure (Article 17).

Article 20: Savings Provision

If any provision of this Agreement is held to be contrary to law by a court of competent jurisdiction, such provision(s) will not be deemed valid and subsisting except to the extent permitted by law, but all other provisions will continue in full force and effect.

Article 21: Concerted Activities

21.1 No Strike Provision

- a. It is agreed and understood that there will be no strike, work stoppage, slow-down, or refusal or failure to fully and faithfully perform job functions and responsibilities, or other interference with the operations of the District by the Union or by its officers, agents, or unit members during the term of this Agreement, including compliance with the request of other labor organizations to engage in such activity.

- b. In the event of a work action, as described above, the Union agrees to take all necessary steps in good faith to cause those persons to cease such action.

21.2 No Lockout Provision

The District agrees that it will not engage in or authorize any lockout of employees for the duration of this Agreement.

21.3 Term

This Article shall remain in effect until agreement is reached between the parties on a successor contract or the parties in good faith exhaust the statutory impasse procedures, as provided under the E.E.R.A., whichever occurs first.

Article 22: Labor Management Committee

The parties agree to establish a labor management committee to consider matters relating to employee working conditions, including, but not limited to workload and work assignments and conflict resolution. The committee shall be composed of up to three representatives designated by the union and up to three representatives designated by the District. The committee shall meet quarterly or on an as-needed basis. Operating procedures and other matters not set forth herein shall be determined by the committee members.

Article 23: Conclusiveness of Agreement

23.1 During the term of the Agreement, both the Union and the District expressly waive and relinquish the right to meet and negotiate and each agrees that the other party shall not be obligated to meet and negotiate with respect to any subject or matter even though such subject or matters may not have been within the knowledge or contemplation of either or both the District or the Union at the time they met and negotiated on and executed this Agreement, and even though such subject(s) or matter(s) were proposed and later withdrawn.

23.2 The District and the Union agree that it is to their mutual benefit to encourage the resolution of differences through the meet and negotiation process. Therefore, it is agreed that the Union will support this Agreement for its term and will not appear before any public bodies to seek change or improvement in any matter subject to the meet and negotiation process except by mutual agreement of the District and the Union.

23.3 The specific provisions contained in this Agreement shall prevail over District practices and procedures and over state laws to the extent permitted by state law.

23.4 This Agreement constitutes the total and entire agreement between the parties and no verbal statements/understandings shall supersede any of its provisions.

Article 24: Term of Agreement

This Agreement shall be in full force and effect through June 30, 2020. After June 30, 2020, this Agreement shall continue in effect from year to year unless one of the parties notifies the other party by September 30, of its intent to modify the Agreement.
